Katalog kupaonskog namještaja

BY OMEGAPANELI

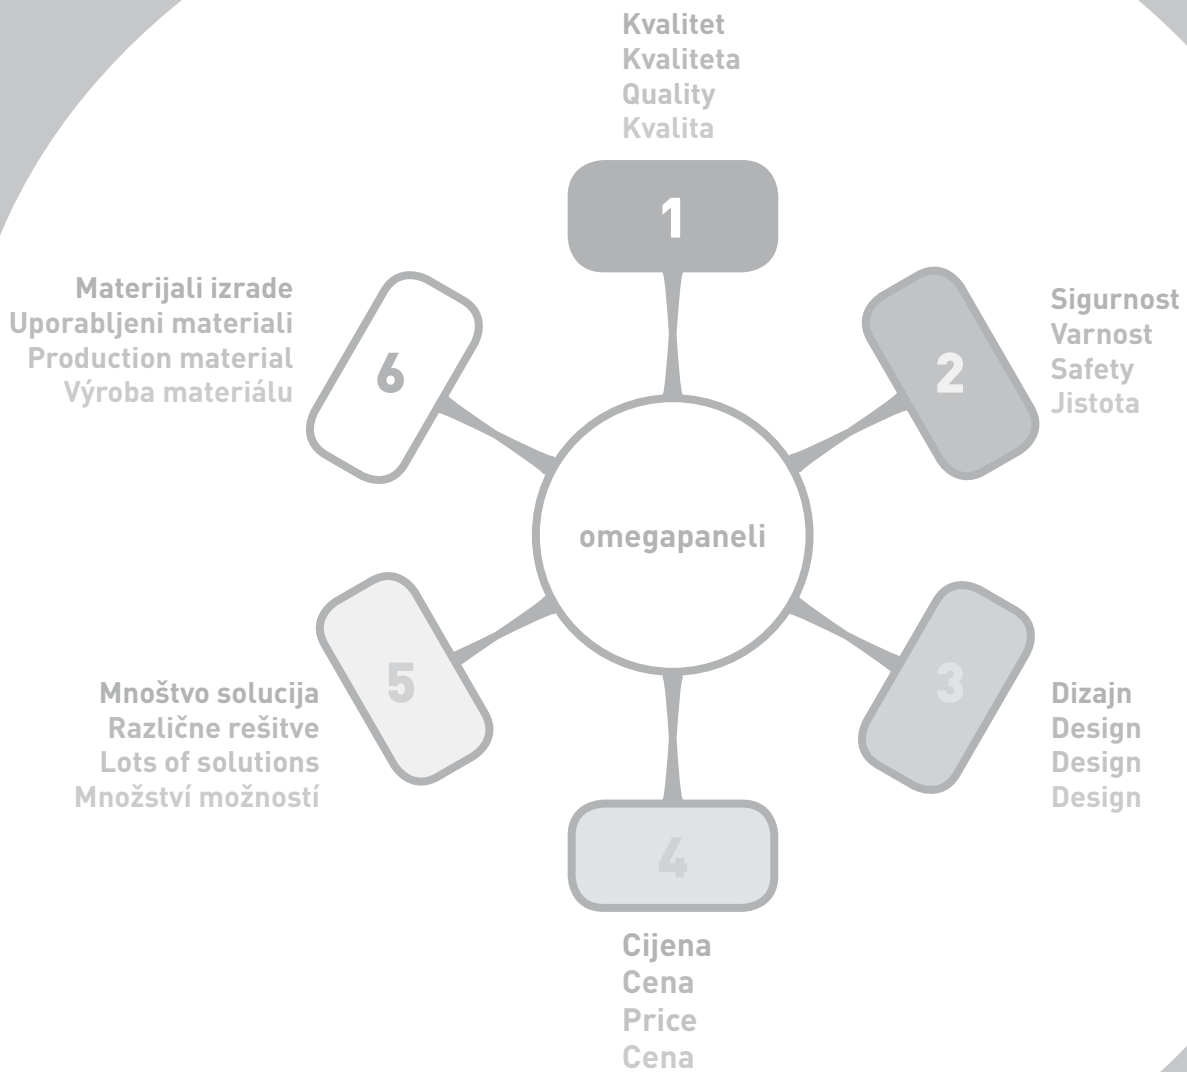

HR / BiH Upornim i dosljednim radom iz dana u dan pretvaramo viziju u djelo, ukoliko je vizija jasna i djelo ostvarivo. Naša vizija da postanemo najveći proizvođač kupaoničkog namještaja u regiji je jasna, a sustavni rad i trud pomažu da djelo postane ostvarivo. Naš optimizam će biti opravdan samo ako u potpunosti iskoristimo potencijale koje imamo. Inovativno pristupamo svim zahtjevima, iznalazimo neophodna i jednostavna rješenja prilagođena izazovnim projektima. Uvažavamo regionalne posebnosti, ali uvijek slijedimo jasan koncept savršene cjeline. Nastojimo kreirati modele koji imaju budućnost, preferiramo jednostavne linije, te se baziramo na jednostavnosti bijelog i bogatstvu drvenih dekora. Pri tome odgovorno se odnosimo prema okolini, štitimo okoliš i koristimo čistu tehnologiju u proizvodnom procesu. Kroz ovaj katalog probat ćemo vam predočiti naša nastojanja na putu do ispunjenja vizije. Hvala vam što ste izbrali upravo nas!

SLO Pomembne so jasne in uresničljive vizije: udejanjamo jih z vztrajnostjo in doslednostjo. Naša vizija, da postanemo največji proizvajalec kopalniškega pohištva v regiji, je jasna, sistematično delo in trud pa omogočata, da to uresničimo. Naš optimizem bo upravičen samo, če bomo do potankosti izkoristili danosti, ki so nam na voljo. Vse zahteve so izziv: iščemo nove in enostavne rešitve, prilagojene novim projektom. Ob upoštevanju regionalnih posebnosti vedno sledimo jasnemu konceptu celote. Načrtujemo nove modele: naše vodilo so preproste linije, bela barva ter prefinjeni leseni dekor. Pri tem se odgovorno obnašamo do okolja, saj uporabljamo čisto tehnologijo v proizvodnem procesu. Ta katalog vam bo prikazal našo pot k uresničitvi vizije. Hvala vam, ker ste nas izbrali!

ENG With persistent and consistent work we transform vision into act every day if the vision is clear and the act is achievable. Our vision to become the biggest producer of bathroom furniture in the region is clear and systematic work and efforts help the act to become achievable. Our optimism shall be justified only if we fully use potentials we have. We take innovative approach for all requests and we find necessary and simple solutions that are adjusted to challenging projects. We acknowledge regional specifics but we always follow clear concept of perfect whole. We try to create models which have future, we prefer simple lines and we base on simplicity of white and richness of wooden decors. In doing so we act in responsible manner toward environment, we protect environment and use clean technology in production process. We shall try through this catalogue to show our endeavours on the way to the completion of vision. Thank you for choosing exactly us!

CZ Naši vizí je stát se jedním z největších výrobců koupelnového nábytku v regionu. Každodenní důslednou práci přetváříme naši vizi v konkrétní výsledky. Naš optimismus je oprávněn pouze tehdy, když plně využijeme našich potenciálních možností. Inovativně přistupujeme ke všem požadavkům, vynalézáme nová a přitom jednoduchá řešení, která odpovídají na výzvy plnouce z nových projektů. Vníme regionální odlišnosti, ale vždy máme jasný koncept perfektního celku. Snažíme se vytvářet modely pro budoucnost, upřednostňujeme přitom jednoduché linie, které jsou založeny na jednoduchosti bílé barvy a bohatém dřevěném dekoru. Odpovědně se stavíme k ochraně životního prostředí. V naší výrobě používáme pouze čisté technologie nezatežující životní prostředí. Skrze tento katalog se Vám pokusíme ukázat naši cestu k naplnění vize. Děkujeme, že jste si vybrali právě nás!

D Tag für Tag setzen wir Visionen durch harte und konsequente Arbeit in die Tat um, sofern die Vorstellungen klar definiert sind und das Werk verwirklichtbar ist. Unser Ziel ist es, der größte Hersteller von Badzimmermöbeln in der Region zu werden. Konsequente Arbeit und Einsatz helfen uns den Plan zu realisieren. All dem können wir nur dann gerecht werden, wenn wir unser ganzes Potenzial ausnutzen können. Deshalb gehen wir an alle Herausforderungen innovativ heran, suchen und finden die besten Lösungen, die einem anspruchsvollen Projekt gerecht sind. Wir berücksichtigen regionale Besonderheiten, ohne dabei die Gesamtheit des Werkes zu vernachlässigen. Unsere Vision ist es Möbel mit Zukunft zu kreieren, jedoch wollen wir unserem Gestaltungskonzept, der Mischung aus weißen Farben und Holzdesign, treubleiben. Im gesamten Entstehungsprozess liegt uns die Umwelt stark am Herzen. Wir sind bemüht unseren Lebensbereich zu schützen und aus diesem Grund arbeiten wir ausschließlich mit sauberen Technologien. Vielen Dank, dass wir Ihre erste Wahl sind!
